

Make a bright bunny!

You will need

colouring crayons, scissors, scrap paper or material which is fluorescent and reflective – such as tinfoil, "dayglo" paper, split pins.

1. Colour in your rabbit.
2. Carefully cut round each body.
3. Decorate the body with off cuts of brightly coloured paper to create a bright jacket for the rabbit.
4. Fix the arms and legs to the rabbit using split pins.
