## **RATIONALE**

St. Stephens CE Primary is a two-form entry Voluntary Aided School. This means governors are responsible for admissions and will admit 60 children each year. Children are admitted into the Reception class in the September of the academic year in which they reach the age of five.

The admission of pupils with an Education and Health Care Plan is dealt with by completely separate procedure. Such children will be admitted to St Stephen's Church of England Voluntary Aided Primary School if this school is named on the statement. This is a statutory entitlement under S.324 of the Education Act 1996.

## **PURPOSE**

- To provide a clear statement of admission criteria, notes and guidance which will be used to allocate places and which comply with local, statutory and diocesan advice and regulations.
- To avoid favouritism or discrimination.

## **OVER-SUBSCRIPTION CRITERIA**

When the number of applications exceeds the number of places available, then the following criteria will be applied, in priority order as listed, to determine who will be offered a place in school.

1. Looked after children or children who were previously looked after but ceased to be so because they were adopted or became subject to a residence or special guardianship order whose guardians/carers are practicing members of the Church of England or other Christian churches.
2. Other looked after children or children who were previously looked after but ceased to be so because they were adopted or became subject to a residence or special guardianship order.
3. Children whose guardians/carers are practicing members of the Church of England or other Christian churches and have a brother or a sister attending the school at the time of admission.
4. Children whose guardians/carers are practicing members of the Church of England or other Christian churches.
5. Children with siblings currently in school, living at the same address at the time of admission. (For the purpose of this policy, "sibling" is defined as any brother or sister related by blood or marriage and any fostered or adopted siblings and children living with the same family who are step-sisters or step-brothers.)
6. Children whose guardians/carers want them to attend the school for genuine religious reasons and support the Christian ethos of the school (commitment to a major faith group).

## **TIE BREAK**

When demand exceeds places in any of the following policies, the distance between the child's home and school, measured by a straight line distance from the Ordnance Survey address point of the home to the main entrance to the school building, will be used to decide who is given a place; those living nearest being given the available places. Where the offer of places to applicants with equi-distant addresses would lead to oversubscription, the decision of who will be offered the place will be made by random selection

## **MULTIPLE BIRTHS**

Where a parents of multiple births (twins, triplets etc) request admission and only one of the siblings can be offered a place, the remaining siblings will also be offered places above the admission number.

## NOTES

1. The criteria will be overridden for a child with an Education Health Care Plan where this school is named.
2. Where guardians/carers are requesting a school place based on points 3 or 4, a written reference must be obtained from their relevant church. This should be submitted to school (not the LA) and is the only additional piece of evidence that guardians/carers will need to provide.
3. If you are allocated a place at St Stephen's you will receive a letter of confirmation from The Admissions Team. We ask that you complete the attached form and return to school to ensure your place is allocated.
4. All new guardians/carers are invited to an initial meeting in the summer term to ensure their child/ward's smooth transition in starting school. We expect all guardians/carers to attend.
5. Attendance at St. Stephen's Nursery does not guarantee admission into Reception class, nor does it provide additional priority for Reception places.
6. 'Home address' refers to the child's permanent home at the date of admission. Where the child lives with split parents who have shared responsibility, it is for the parents to determine which address to use when applying for a primary school. Proof of residency may be required at any time during or after the allocation process.
