HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

Different types of schools = different admission rules

Academies and free schools:

The majority of Secondary schools in the Bradford district are academies or free schools. These schools are funded directly by the Department for Education and governors make decisions. Many academies have a priority admission area which can be viewed on the Council website, at the schools or at Margaret McMillan Tower.

Community schools:

The local authority provides the funding and also makes decisions. All community schools have priority admission areas.

Foundation and trust schools:

The local authority provides the funding and school governors make decisions.

Voluntary-aided schools:

The local authority provides the funding and school governors make decisions. All VA schools (except Bingley Grammar) are Catholic or Church of England schools and parents must complete a supplementary form if applying on faith grounds.

Random Allocation:

Some schools use this as part of their admission policy (see step 3, page 3).

New Schools Opened September 2019

Bronte Girls' Academy and Eden Boys' Leadership Academy are new Free Schools that opened in September 2019. For further information regarding the schools and their admission policy please visit www.bradford.gov.uk to view the 'guide for parents' and to see the schools admissions policies

Applications for places at the school must be made in the same way as all other schools, on the Bradford Council website. No additional forms are required to be filled in by the school or the council to gain admission. Please ensure you read the admission policy so you are aware of the priorities and the criteria used to offer places.

Some schools may have changed or will be changing their status in the future. If this is a concern parents should check the 'Guide for Parents' or with the school.

Supplementary Information Forms (SIF) and Assessment Dates

The following schools require a Supplementary Information Form to be filled in and returned to them directly with any supporting evidence required, if you are applying on the basis of Faith:-

- **Feversham College**
- **Bradford Academy**
- **Bradford Forster Academy**
- **St Bede's & St Joseph's Catholic College**
- **Immanuel College**
- **The Holy Family Catholic School**

If you are applying for a school located in another local authority, please read the admissions policy for the school to see if they require a SIF filling in. Some schools located in other local authorities require children to be registered for assessments. These include the following:

- **Skipton Girls' High School**
Registration closes on 11 September 2019.
- **North Halifax Grammar School**
Registration closed on 2 September 2019.
- **Crossley Heath Grammar School**
Registration closed on 2 September 2019.
- **Ermysted's Grammar School**
Registration closed on 28 June 2019.

The following schools require a Supplementary Information Form to be filled in and returned to them by the closing date, in order for your child to be registered for a 'Fair Banding' assessment.

- **Bradford Girls' Grammar**

Closing Date for SIF: Thursday 31 October 2019 at 4pm
Assessment Date: Saturday 9 November 2019

- **Dixons City**
- **Dixons Kings**
- **Dixons McMillan**

Closing Date for SIF for the above Dixons Academies
Monday 23 September 2019 at 3.30pm
Assessment Date: Saturday 12 October 2019

The schools above have an admissions policy that must ensure their pupils come from a wide ability range. All applicants must take an assessment to divide them into different ability bands. The schools then admit the required number from each band based on the spread of ability of those applying. If your child does not sit the assessment, your application will not be considered until all others who sat the assessment have been.

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

Step 1

How do I decide which schools to apply for?

You should collect as much information as possible about the schools in your area, especially their admission procedures. You can do this by:

- visiting the Bradford Council website, www.bradford.gov.uk where you can find:
 - full details of all schools' admission arrangements in the 'Guide for Parents';
 - last year's allocation figures for each secondary school;
 - 'School Finder' - a map giving the details of schools in the Bradford Authority near to your postcode.
- going to secondary school open evenings in September and October and talking to your child about how they feel about each school;
- viewing the school websites or their prospectus for information on what each school can offer;
- contacting the Admissions Team for advice;
- visit the Ofsted website www.ofsted.gov.uk where you can read the latest Ofsted reports.

Step 2

How do I apply?

Be realistic

Many schools are oversubscribed and receive more applications than they have places to offer. Even if you live within a Priority Area, you may not qualify for a place if 'distance criteria' is part of the admissions policy. The number of secondary students competing for places is increasing every year and the fact that a neighbour was offered a place before does not mean you can rely on a place being allocated this year. We strongly advise you use all five preferences and preference all the schools whose Priority Area you may be in to maximise your chances of being offered a locally accessible school

Make your preferences count

If you only apply for one school your child will only be considered for that one school. If you do not qualify for a place, you will be allocated a school with an available space after all allocations have been made, this may not be local and could involve several bus journeys. You will only be able to appeal for the school you have applied for and you will only be able to add your child's name to the waiting list of the school you chose or other undersubscribed schools. Last year, 93% of children were offered one of their preferred schools.

Application forms

- You need to apply to the local authority where your child lives (your home council). If your child lives in the Bradford District, you should apply online on the Council's website, www.bradford.gov.uk/admissions
- Applying online is the best way to apply. If you apply online you will receive the offer of a school place on 2nd March, by email and will not have to wait for the postal service (unless you opt out of receiving emails).

- If your child is currently in Year 6, but was not born between 1 September 2008 and 31 August 2009, please contact the Admissions Team for a paper application form. You will be unable to apply through the online system.
- If you are unable to apply online, please contact the Admissions Team for assistance and make an appointment to meet with an officer who will discuss the issues and decide if a paper form is required. The closing date for all applications is 31st October. You should not rely on the post to ensure your form is received, you may wish to send it recorded delivery. You should request a receipt if you hand your form in personally.
- You can apply for any school in the Bradford district or outside the district except fee-paying schools. You should find out about the admission arrangements for each school.
- Where the child lives with separated parents who both have shared responsibility you must both agree which address to use before you make the application and agree on the preferences. Otherwise this could delay the application process and the Local Authority may decide which address should be used and which school should be allocated.
- You must confirm that you have parental responsibility and that the information you have given is accurate. If you give deliberately false or misleading information or withhold important information that could affect your application, it may result in the place offered being withdrawn. You would then need to apply again, possibly after all allocations have been made, and legal action may be taken.
- Looked after children or those who were previously looked after but ceased to be because they were adopted or became subject to a residency order or special guardianship order are given priority in every admissions policy. You will need to provide evidence of this to the Admissions Team by the closing date, if you are applying for this priority.
- Some schools give priority to children who have **significant medical or social needs** which can only be met by a specific school. If you are applying on these grounds, you must provide written evidence from a hospital consultant or paediatrician, or a relevant professional for social grounds. The evidence must explain why it is the only school that could meet your child's needs and why no other schools can. **Please read each school's policy as not all schools give priority.**
- If your child has an Education, Health and Care Plan (EHCP) please do not apply through the online system. You will be sent a separate letter and preference form to complete in order to ensure that you are able to make a preference for a wider range of schools and that the LA completes the process before the statutory deadline of 15/02/2020. For further information please contact SEN@bradford.gov.uk.

Step 3

How do you deal with my application?

- Each school has a Published Admissions Number (PAN), which is the number of children that will be offered a place. Each school has its own admission policy and these will be different depending on the school and the type of school. The policy or rules determine which children are offered places. For most secondary schools, children with older brothers or sisters attending the school who live within the 'priority area' are given some priority and then children who live within the

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

'priority area'; next, those children with siblings living outside the priority area and lastly those who live outside the priority area without siblings.

It is very important that you read the policies and view the 'Priority Areas' for the schools that you are applying to, in order to understand whether your child may be offered a place. In addition you can find out the distance the last child was offered a place in the previous year by looking at the 'Guide for Parents 2020-2021'. Full details are available on each school's website as well as the Council website.

- **If you apply online you will receive an email to confirm that you have submitted your application successfully. If you decide to change your application you can log back in and do so but you must ensure that you 'resubmit' your application and you will receive another email confirming your new preferences.**
- If you have applied for a community school we look at the applications and apply the Council's policy to decide which applicants will be offered a place, considering any supporting evidence provided. If you have applied for any other type of school we will inform them of the application and they will tell us if a place can be offered, taking into account any evidence provided or the supplementary information form, if one is required.
- It is important that you understand if you are applying for a school that operates a 'fair banding' policy or random allocation, as this means that you are unable to have any idea if your child will be offered a place based on previous years, priority areas or distance. If you choose five preferences that operate this kind of policy you may not be offered any of your preferences and we may offer you a place at an undersubscribed school, some distance from your home. We advise you to seriously consider preferencing a local school or your 'Priority area' school(s) to ensure you maximise your chances of being offered one of your preferences.
- **There are many myths around the order in which you preference your schools.** No school policy operates first preference first. Only the Admissions Team know which order you have preferenced your schools, each preference is treated separately to see if you can be offered a place in any or all of your preferred schools. If your child can be offered more than one school, the order in which you have made your preferences enables us to offer you the highest preferred school, for which you qualify.
- **You will receive an email on 2 March, if you applied online. If you did not apply online, you will receive a letter which will be posted directly to you after 2 March 2020.**

Step 4

What if I miss the deadline or want to change my preferences?

- **Before decisions about offers are made**
The closing date for you to apply is **31 October 2019**. If we receive your application after this date, it will only be considered if we receive it before 18 November when we start to consider applications where there are exceptional circumstances, such as a house move. We are also unable to accept changes to your preferences unless there are

exceptional changes in your circumstances.

- **After decisions about offers are made**

If we receive your application late and after we have made decisions, we will only consider it after all those returned on time unless:

- There are exceptional circumstances as previously described; or
- The late application or change of preference is for an undersubscribed school (a school with unfilled places)

If you have already applied for five schools, we will not accept any other preferences, changes of preference or additional preferences, except for the reasons above. However, you can apply after 1 September 2020 for an 'in year application'.

- **Moving house**

If you have moved house, you must send us proof of your new address. Please provide a copy of your council tax bill and a minimum of two additional documents from the following:- gas, electricity, phone bill and a child allowance or benefit document in your name or that of your child.

When considering applications we use the 'child's permanent address at the time of admission'. If you expect to move by September but you are still living at your current address when you apply, we can only consider your application from the new address if you provide the following documents:

- Proof of completion on your new property and a solicitor's letter to confirm the sale of your previous property; or
- A rental agreement on the new property and confirmation of the sale or ending of your tenancy agreement for the previous property.

We will not accept mortgage offers or letters from estate agents as proof. If your house purchase or rental has not reached a stage where you can provide these documents by 13 December 2019, we will consider your application from your current address. However, it is important that you tell us if you move house at any time as it could affect your child's allocation.

If you have applied for a school located in another local authority or have applied for a school which is its own admission authority, we cannot guarantee that they will accept changes of address which take place after 31 October 2019.

Step 5

What if I don't get the school I want?

- If we are unable to give you any of your preferred schools, we will offer your child another school with an available place. This may include faith schools and single-sex schools. We decide which is the most appropriate school, taking into consideration all children without a school place and available bus routes. If you do not apply for a local school and it becomes full, it is likely that the nearest school that we can offer will be some distance from your home. We can only offer an alternative school that has places available after all applications for that school have been considered.
- You can ask for your child's name to go on a waiting list for any schools that you applied for. Your child cannot be placed on a waiting list for a school that you did not apply for unless there is a significant change in your circumstances (for example, you move house) or exceptional circumstances. If

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

any places become available, they will be filled in line with the admission policy and not how long the name has been on the list. Most schools' waiting lists will close on 31 December 2020. If the school is located in another local authority area, you should contact the relevant authority directly regarding the waiting list.

- You can make a formal appeal to an independent appeal panel, for any school that you have applied for. This is a legal process and places are not 'reserved' for appeal panels to offer children. Every appeal granted adds an additional child to the school over the Published Admissions Number (PAN) as the year group will be already full. The Panel will consider all the circumstances and issues that you include in your appeal, either verbally or in writing. Whilst the Independent Appeal Panel will listen to all cases and circumstances, there is not a checklist of circumstances that you must meet. However it is usually the most exceptional cases that are granted places. You can get appeal forms from the Admissions Team for most schools except the Dixons Academies (except Dixons Cotingley Academy) or Bingley Grammar School. For these schools you must contact the schools direct for an appeal form. For schools in other local authorities, you must contact the relevant local authority.

We urge you to accept a place at the school you have been offered – it will not affect your chances of getting a place at your preferred school either from the waiting list or at appeal. You could also risk your child having no school place in September.

Step 6

Financial help

School Meals and Clothing

Bradford Council no longer provides a school clothing allowance for low income families. Bradford schools have now taken on the responsibility for providing parents with support for this where appropriate. How schools provide this support will vary from school to school so parents should contact the allocated school for more information.

If your child attends a tax-payer funded school and you live in the Bradford district you may be able to get free school meals. Families should apply if they get any of these benefits:

- Income Support
- Income Based Jobseeker's Allowance
- Income Related Employment and Support Allowance
- Child Tax Credit with an annual income of less than £16,190, provided you are not receiving Working Tax Credit
- The 'Guaranteed' element of the State Pension Credit
- Support under Part VI of the Immigration and Asylum Act 1999 (you will need to apply directly to the school if you receive this benefit and not to Bradford Council)
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for 'Working Tax Credit')
- Universal Credit with an annual net earned income threshold of less than £7,400.

You should make your application after you have received your allocated school place.

You can get advice on free school meals at www.bradford.gov.uk/schoolmeals, by phoning (01274) 432772 or by visiting any Council Enquiry Office.

Your child's Journey to School

Key Points to Remember

- Make sure you read and understand the Home to School Travel and Transport Policy for Children of Compulsory School Age if entitlement to school transport is important to you.
- School priority admission areas and feeder schools are not relevant to transport eligibility.
- Transport is generally only provided to the nearest available qualifying school where the distance criteria is met.
- The Council uses a GIS measuring system, no other measurement is valid.
- The priority area school for your address may not be the nearest school.
- It is vital you carefully consider the transport implications before you make your application for a school place.
- Please contact us if you need advice.

Home to school travel assistance

You should consider carefully how your child will get to and from the school(s) you apply for before you make your application for a school place.

Children will only be entitled to free travel assistance if there is an entitlement under the Council's Home to School Travel and Transport Policy for Children of Compulsory School Age. If a sibling or other local child is already in receipt of transport to a school, **this does not guarantee** that a new child will automatically qualify for transport to the same school. The policy criteria must be met in all cases.

Where there is no entitlement to travel assistance from the Council, parents are fully responsible for all financial costs and transport arrangements for their child.

The full Home to School Travel and Transport Policy for Children of Compulsory School Age can be found on our website <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/>

Please note that entitlement to travel assistance will not be assessed on the basis of priority admission areas, feeder schools or where travel assistance has historically been provided. Applications are assessed against the following criteria.

HAVE YOU APPLIED FOR YOUR CHILD'S SCHOOL PLACE?

Bradford Council in accordance with its statutory duty, will provide free home to school assistance for children of secondary school age to the nearest available school to their home address, if they live 3 miles or more from that school.

It is important to note that the 'priority' or 'feeder' school for your address may not be the nearest school.

Bradford Council will measure using the shortest walking route to calculate distances to establish which is the nearest 'suitable qualifying school' to a child's home address. We determine your nearest 'suitable qualifying school' with places available at the time of allocation. If you apply outside of this time, because for example you move address; we will determine it at the time of the application. The Council uses a Geographical Information System (GIS) to measure and calculate home to school distances. **The measurements produced by the Council's GIS are the definitive distance calculations that the Council will use to determine travel assistance eligibility.**

For children from low income families, the policy is extended to provide travel assistance to any one of the three nearest state secondary schools to the home address which are between 2 and 6 miles from the home address. Children from low income groups are defined as those who are entitled to free school meals.

Entitlement is also extended to those children from low income families who are attending their nearest faith school (the child must be of that faith) which is 2 miles or more, but not more than 15 miles from home by the shortest road route. To evidence that the child is attending a school based on religion or belief, their baptism certificate or a written statement supporting the reasons for selecting a faith school must be provided.

Once eligible for assistance with travel because of low income, your child will receive assistance for the rest of the school year, subject to there being no other changes that may affect eligibility, such as a house move or change of school.

Unless the low income criteria are met, travel assistance will not be provided to a school if:

- There is any nearer school to the home for which a parent did not apply on the original admission application
- There is any nearer school which was listed as a lower preference on the original admission application
- The parent has rejected an offer of a place at any nearer school

What is the nearest school for transport purposes?

Any parent who wants to find out which school the Council considers to be their nearest school for transport purposes should send an email to schooltravel@bradford.gov.uk.

The email should state the child's name and address, asking what the Council considers to be the nearest secondary school for transport purposes to that address.

Points to remember

- An offer of a school place does not guarantee free school transport even if you live over three miles away from the school you have been offered, even if it is your priority admission area school.
- Before you apply for a school place and for travel assistance you should read the information made available to you

in this booklet and the full travel assistance policy on the website: <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/>

If your child does not qualify for free travel assistance you may be able to purchase a bus pass for a vehicle operating to the school. You can find bus and travel pass information at <https://www.wymetro.com/schools/>

Entitlement for children with additional needs

Children who are unable to walk to school because of their special educational needs, disability or temporary medical condition may qualify for assistance. The Council is working with parent groups, schools and SEND professionals to change the way we deliver school travel for children with additional needs. You will need to give full details on the application form and your application must be supported by specialist advice relating to the medical or behavioural needs of your child and after consultation from the school and other agencies involved in your child's wellbeing.

Travel provision

If your child qualifies, we will usually give them a 'smart card' to travel free on the bus or train for one journey to and from school each day. If your child has additional needs and is unable to travel independently by bus or train, we may provide an escort or travel training to encourage independence, a personal budget, dedicated or specialist transport. For more detailed information on assistance with travel to school, visit the Bradford Council website, <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college/> or contact the Travel Assistance Service on 01274 439450 or email schooltravel@bradford.gov.uk

Fares and passes

Reduced fares are available to pupils in full-time education travelling on all trains and most buses displaying the Metro symbol. Five to 18 year olds can buy a School Plus Ticket for travel on most buses (but not trains) at any time of the day including evenings and weekends.

For more information about reduced fares and bus and train times, phone Metroline on 0113 245 7676, open 8am to 8pm, seven days a week or visit the Metro website: <https://www.wymetro.com/schools/>

How and when to apply

Complete the application form that best meets your child's circumstances:

For those wishing to apply for a bus pass please download an application form from <https://www.wymetro.com/schools/>

Those children with special educational needs, a disability or temporary medical condition can now apply online or download an application form from <https://www.bradford.gov.uk/education-and-skills/travel-assistance/assistance-with-travel-to-home-school-and-college> or request one from the Travel Assistance Service at schooltravel@bradford.gov.uk.

Most people apply when they have their school place confirmed. Application forms should be returned by the last Friday in May in order for us to process your application for the term starting in September.
