# About us

## Connect with BPA

We are a registered Community Interest Company who exist to provide opportunities to children and young people to excel in football and life skills.

Our first team are semi-professional and we have both boys and girls provision at the football club. We provide football opportunities for over 400 people aged 5 to 18 throughout our BPA Player Pathway.

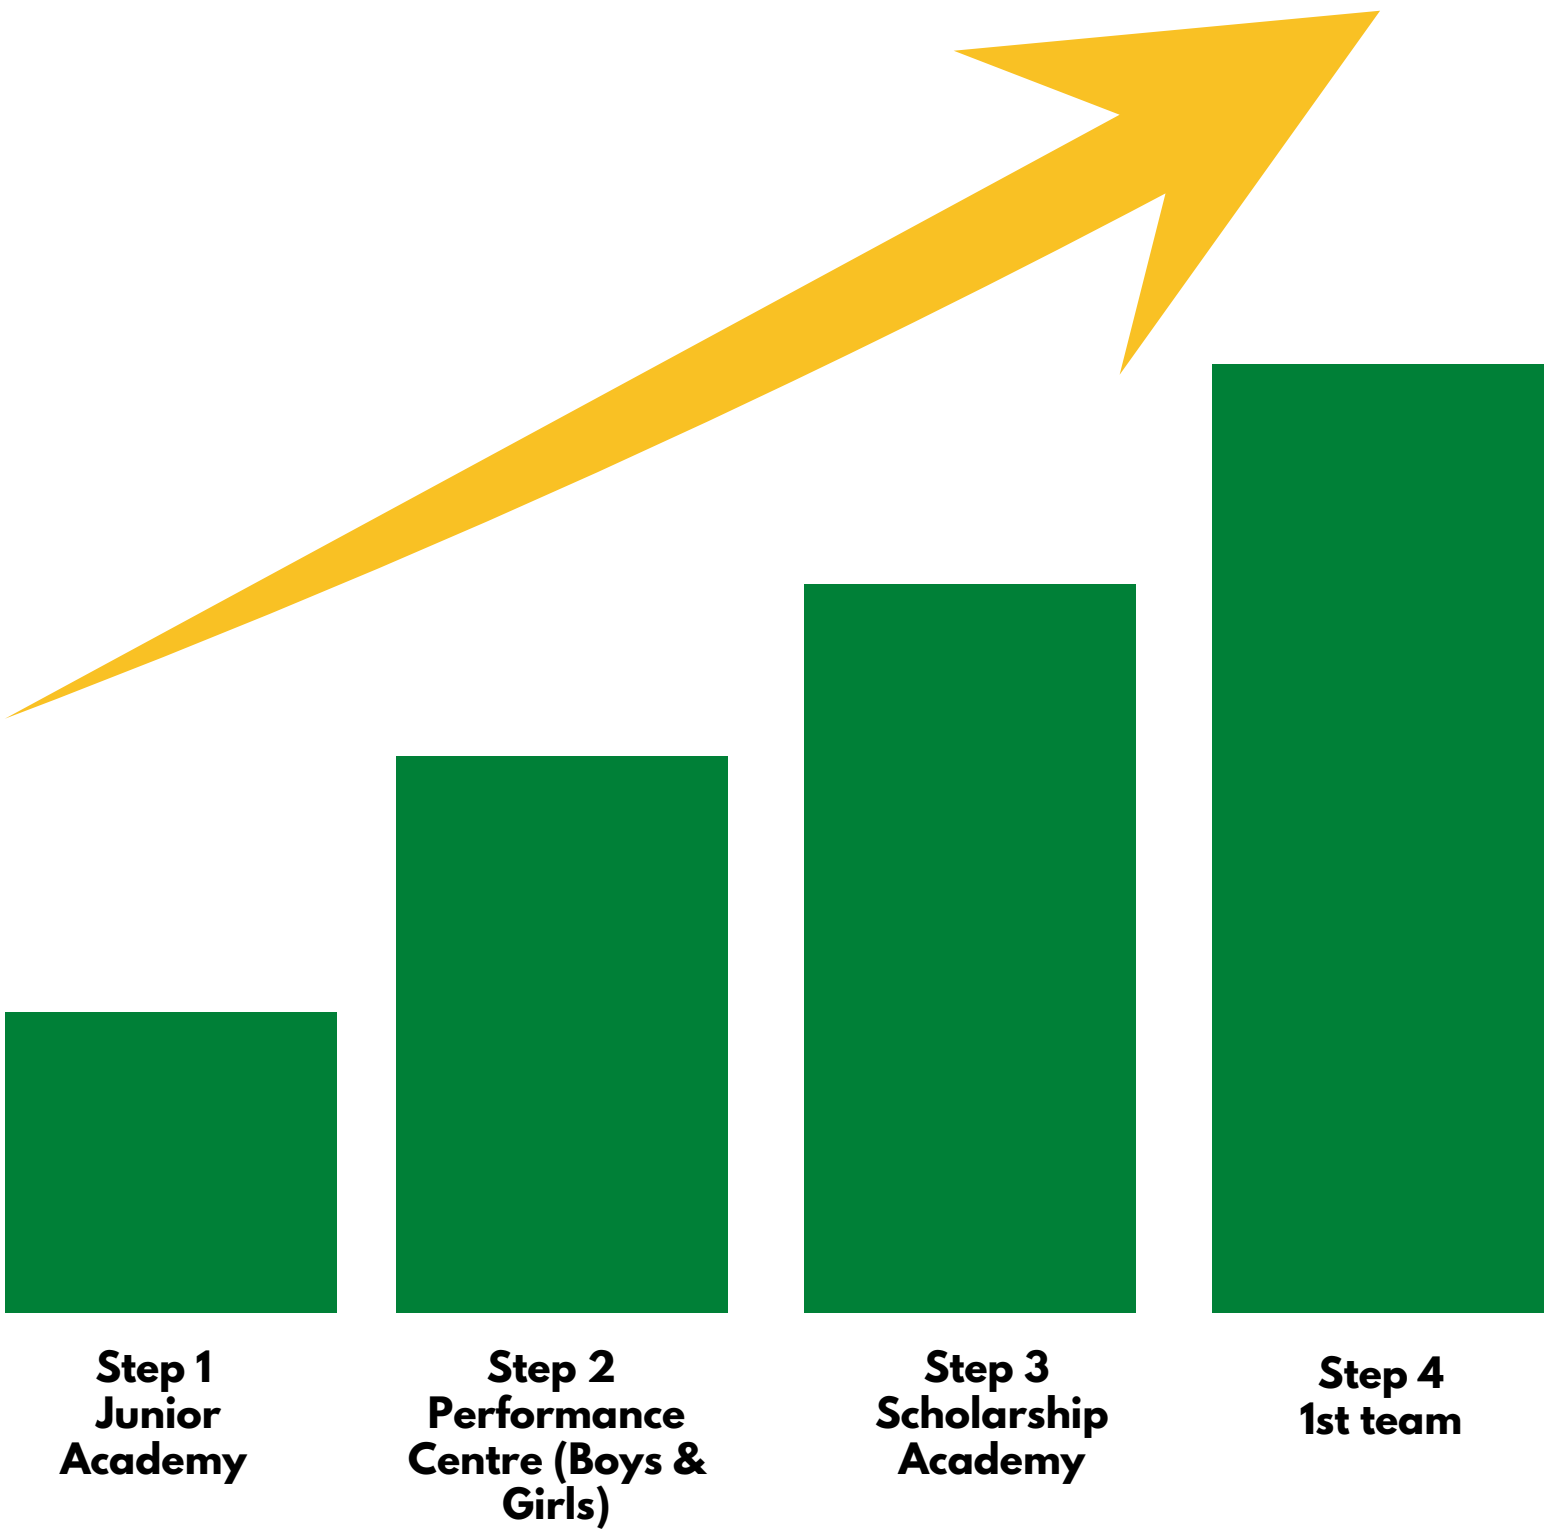

We currently have 5 Primary Schools on our books and we deliver a range of different programmes.

Community
