

Bradford Clicker Support Webinar

Crick Software and **Bradford's Low Incidence, Physical and Medical Team** would like to invite you to our Clicker Support Webinar

Date: Tuesday 1st February 2022

Time: 2:45pm to 3:30pm

Price: Free

Clicker is the complete writing solution for the primary classroom, providing every pupil with just the right level of support and challenge. Watch your pupils confidently tackle writing tasks with help from Clicker's realistic speech feedback, audio note recorder and intelligent word prediction. The software includes access to a growing bank of topic-specific sentence building activities, word banks and writing frames, and it's incredibly easy to create your own. The latest version, [Clicker 8](#) combines proven literacy support tools teachers know and love with exciting new feature ideas from Clicker fans. In this session we will show how you can:-

- Create a range of differentiated activities, to use throughout the classroom
- Save time by using our LearningGrids resources – Pre-made content developed by our Curriculum Team
- Ask questions in this live Q&A session, to develop the school's implementation and understanding of Clicker
