Nurturing  
Schools**  
programme

The National Nurturing Schools Programme supports schools to develop and embed a whole school nurturing culture, enhancing teaching and learning and promoting healthy outcomes for children and young people by focusing on emotional needs and development alongside academic learning. Schools may choose to go on to gain recognition for achieving a higher level of nurturing provision by achieving The National Nurturing School Award – assessed and awarded by the National Nurture Group Network.

## Who Benefits...

- **Pupils benefit** – from an approach that supports them in their specific needs while delivering teaching and learning in a way that all can access; the pupil is at the heart of the school focus and their learning is understood developmentally.
- **Parents benefit** – from being involved and welcomed into the school and by seeing improvement in their children's learning, behaviour, confidence and attendance; meaning a better outcome for their children both in and out of the school and classroom.
- **Teachers benefit** – from a renewed focus on their pupils, a culture change where every voice counts and a more balanced measure of outcomes for individual pupils.
- **Schools benefit** – from showing their commitment to developing an ethos and culture that is inclusive and supports everyone in and associated with the school
- **Communities benefit** – from having a school that wants to be at the heart of the community and demonstrates its central role in children and young people's lives.

## How do we achieve the National Nurturing School Award?

The programme takes place over a two-year period. Two members of senior staff attend the initial two-day training and induction programme, followed by specific follow-up tasks over the next 12 months and another progress and application day one year after the induction programme. The school is then assessed against its performance targets within the Nurturing Schools Framework. The course is a two year commitment and costs £660 plus VAT in the first year and £650 plus VAT in the second year (per school). This is payable to The Nurture Group Network.
