CINDERELLA

THE FAIRY GODMOTHER OF ALL PANTOMIMES

16 DEC 2017 -
28 JAN 2018

RELAXED PERFORMANCE - TUESDAY 16 JANUARY 2018, 6pm

Dear Customer,

We are delighted to present a specially adapted and Relaxed Performance of **Cinderella** starring King of Yorkshire pantomime **Billy Pearce**, singer and *Loose Women* panellist **Coleen Nolan** and stage star **Shane Nolan**.

Relaxed Performances are specifically designed to welcome people with an Autistic Spectrum Condition, learning disability or sensory and communication disorders into theatres, to give those who otherwise might feel excluded the chance to experience live theatre and the magic of our pantomime.

Lighting and special effects will be slightly altered, for example removing strobes and flashing lights and reducing very loud noises. However the content of the show will not be specifically changed.

This performance provides an opportunity for people who might otherwise find it problematic to experience live theatre, for example those who might make involuntary noise, feel likely to talk a lot, or move around. At our Relaxed Performance this behaviour is welcomed and our front of house staff are there to support and manage, rather than stop, it.

Following customer research the show will start a bit earlier at 6pm.

Our Relaxed Performance is open to all in a welcoming environment where you can enjoy this year's production of **Cinderella**. Share the magic today by calling our Group Sales Team who will be happy to advise you about how we can accommodate your party. Please call on 01274 437788.

Best Wishes
