

## Developing Outstanding Senior Leaders

This programme is for Assistant Headteachers, who wish to develop their practice, and for established Middle Leaders ready for the next step in their career.

Participants will develop their knowledge and understanding of leadership. The programme, will address:

- the importance of vision, context and culture
- developing leadership attributes within yourself and others
- the leadership of change and strategic planning
- the leadership of teaching and learning including systems and process to ensure quality and consistency in order to maximise your impact on the learning in your organisation.
