NQT Development Programme

2016 - 2017

Start your teaching career
with the support you deserve

NORTHERN LIGHTS
Teaching School Alliance

THINK...TEACH...LEAD...

NQT Development

Northern Lights Teaching School Alliance work in collaboration to support schools across the Bradford region. We are passionate about supporting teachers and leaders with their continuing professional development. NL TSA covers a large geographical area and brings together schools from dispersed rural communities to inner cities – areas that are vibrantly diverse to mono-cultural. The Alliance spans North Yorkshire, East Lancashire, Bradford and beyond and draws on this expertise to bring enormous opportunities for NQTs to experience teaching and learning at its best.

Aims of the programme

This programme is aimed at NQTs and will prepare teachers at the start of their careers to become outstanding practitioners and effective leaders within Alliance schools and beyond.

It will provide high quality opportunities for effective, pedagogical research and enquiry, effective training in the craft of the classroom, strategies to develop better work life balance, as well as leadership development for future career progression.

Who is it for?

This programme is suitable for **Newly Qualified Teachers**.

What will it achieve?

- Opportunity to collaborate and network with other teachers across the Alliance
- Enable NQTs to meet the Professional Teachers' Standards at the end of the induction year
- Develop an ethos of positive behaviour and promote a culture of high achievement in the classroom
- Develop a variety of practical teaching and learning ideas
- Develop best practices to manage planning, behaviour, marking and assessment

THINK...TEACH...LEAD...

teach³ Subject Forums

The teach³ Subject Forums will allow subject specific examination of key areas of teaching practice and deliver practical strategies for use in the classroom.

12th October 2016 Lesson Planning in My Subject Planning a sequence of lessons Planning to demonstrate high expectations and challenge Planning for all students	Feversham College
