Free primary school workshops

RSPB and Aldi: Giving nature a home in schools.

We'd love to help your school discover the fascinating wildlife right on your doorstep.

Across Leeds and Bradford, we're offering FREE 90-minute sessions in your school grounds, inspiring pupils to get closer to nature. They are suitable for KS1 and KS2.

Sessions are run by the RSPB and funded by Aldi.

Visit our website for more information.

Aldi and the RSPB are working together to connect children with nature
