

National Media Museum

Bradford District STEM Networking Event

Thursday 7 July , 4pm-6.30pm

Free

Special screening of *Mysteries of the Unseen World*
IMAX 3D at 4.15pm

Be inspired by an evening of STEM activities delivered by STEM learning providers and schools from across Bradford District.

Have a taster of the many learning opportunities available to you and your pupils, and see how you can bring STEM learning to life in your classroom.

Refreshments will be served
