

The most visited immersive, multi-sensory experience in the world

"Making the magic of art come alive for all ages"

TimeOut

School Visits to Van Gogh Alive

Van Gogh Alive is making its hotly anticipated Bradford debut this Autumn/Winter.

Hosted within Bradford's beautiful Grade II listed Regency Hall, the immersive Van Gogh experience is anticipated to be the Yorkshire's event of the season.

Prepare to transcend time and space as you accompany Van Gogh on a journey through the Netherlands, Arles, Saint Rémy and Auvers-sur-Oise, where he created many of his timeless masterpieces. Set to an evocative classical score, a thrilling display of over 3,000 inspirational images transforms every surface that surrounds you in what has been described as an "unforgettable multi-sensory experience".

At Van Gogh Alive you don't just look at his paintings, you step inside them and feel their power.

Going above and beyond to make the experience Covid-safe, school visits for students of all ages are welcome.

See dates overleaf for schools only visits. Every school that books receives:

- **Pre-recorded digital introduction** - detailing what to expect and look out for at the exhibition, ways of seeing and viewing tips alongside an insight into the creation of the exhibition
- **Visit the experience** - includes the SENSORY4™ gallery, a life-size representation of Van Gogh's bedroom and the incredible immersive sunflower room
- **Pre-recorded digital 'have a go' tutorial** - students can make their own masterpieces back at school inspired by Van Gogh
- **Digital exhibition** - an opportunity to submit a selection of student works to an online schools exhibition
