

SPIN OFF

CRICKET WORKSHOP

FREE FOR YOUNG PEOPLE AGED 11-16 YEARS OLD.

What is Spin Off?

Spin Off is a workshop specially curated for children new to cricket in Bradford, and we will pay homage to the famous Bollywood film *Lagaan*, as an entry point to the game for those less familiar with cricket. Children will play a game of cricket with 11 players per side and 2 umpires and will be able to learn and play the game with a professional cricket player and a team of coaches. To conclude the workshop, we will discuss specific issues of climate change that might have impacted everyone's performance in the game and strategies to make positive changes to slow the climate crisis with our Engagement Leader, **Tricia Arthur** and a climate change specialist.
