BRADFORD BY HARIS AHMED

Bradford!  
From Holme Wood  
To Home Bargains,  
Top of town Onion Bhajis,  
People start bargin'  
Not one, but two markets,  
Broadway's just the start of it

We've got,  
Curry, and banter,  
We've got a football team,  
Up the bantams,

Showing off our city  
For everyone to see  
The crown jewel of Yorkshire,  
We're more than a city,

A dessert shop on every street,  
To enjoy a sweet, treat,  
Music all around so you never miss a  
beat,

I have southern friends that mock the  
way that we say no,

Take the boy out of Bradford,  
But the Bradford doesn't go
