Wraparound Childcare

What is wraparound childcare?

Childcare you pay for which wraps around the school day (before and after-school) for primary school children.

Wraparound childcare typically runs from around 8am until 6pm, during term time, either on a school site or another local setting such as a community centre, a nursery, or a childminder.

This is different from out-of-school activities, or school clubs, which are less frequent and can be a one-off activity.

If you offer a wraparound childcare service at your school you, advertise it here:

What we offer at *insert school name*:

If you do not offer Wraparound Childcare at your school:

Unfortunately, we do not offer a wraparound childcare service. However, please contact *insert email address* for information and contacts for other childcare settings in the area that drop off and pick up from our school.

You can find this information on Bradford Schools Online and share that information with parents when asked. **(If you are having trouble using the BSO search tool, there is a document in the toolkit which details what you need to do to access this)**

We are working on a search tool for parents so that they can search for themselves, however until that is ready, they will need to gather that information from schools.
