

EDUCATION FORWARD

Join us to develop an optimistic, future-focussed movement for change in the education of all our children.

Speakers include...

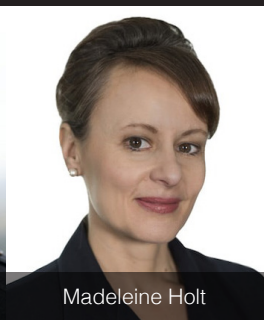

Valerie Hannon

Hywel Roberts

Mark Stevenson

Madeleine Holt

Mick Waters

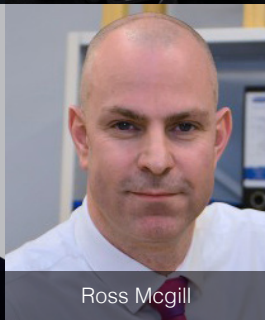

Claudia Barwell

Neil Roskilly

John Rees

Ross McGill

David Jackson

Debra Kidd

Liz Robinson

Education Forward is your opportunity to listen, learn, respond and contribute to the movement for positive, optimistic future focussed learning for all.

Speakers including Mick Waters, Hywel Roberts, Debra Kidd, David Price, Ross McGill Madeleine Holt (amongst many others) will share short provocative, informative, insightful and inspirational resumes of their chapters in the soon to be published book Education Forward - available on the day. All attendees will then be involved in discussions to challenge, modify and build upon these ideas as we co-create a rich and deep alternative to traditional ways of thinking about schooling across the UK and beyond.

Saturday
October 14th
10.30 - 16.30
