William Bonfield:

“I am a career Hospitality professional, worked in restaurants and pubs since I was 16. Started Front of House, all the way up to being a Michelin Star restaurant Manager in London, and then went to work as a chef. Worked my way through the ranks, been a head chef, and eventually an executive chef for a national pub company where I ran 11 pubs nationwide. I am passionate about leadership and management, and I want to help empower our staff to be the best they can be.

The role is interesting and varied, but so far the resilience of the people is what had stuck out for me. I am most looking forward to getting out there and making a difference!”

NEW SDM PROFILES

Hummera Memon:

“I started with FM as a GKA in Feb 2008. Being a hard-working GKA, I was offered to do further training and more hours. This lead to me getting an ACM role at Delius. After a few months in role, I did my training as Chef Manager and was appointed CM at Fearnville Primary. I have also worked as a mobile manager, and as a mentor, to train new managers and GKA’s.

From November 2024, I started to look after Area 08. From this opportunity, I gained experience and knowledge, that helped me to apply for the SDM post.

As a SDM, I am enjoying my new post, there’s lots to learn and lot of experience to be gained. My goal is to pass my Level 4 and carry on my future with FM catering.

I’m so proud of my achievement, It wouldn’t be possible without my husband, children and my mum in law’s support and love.”
