Book Now!

www.bradfordmusiconline.co.uk

The Music & Arts Service and the PE & School Sport Service have joined together to create a unique festival for schools to celebrate the 2014 Grand Depart through song, dance, music making, cycling and environmentally friendly power generation. All age groups are welcome.

Applications to participate will be accepted on a first come first served basis until capacity is reached, at which time you may be placed on a reserve list or offered the alternative day if capacity exists. You will receive an email with confirmation of your place within a week in order that you may book your transport in good time.

Using online support plus training workshops, teacher and pupil support programmes will be provided for the mega sing, mega dance and visual arts programmes. Schools will be given further advice and support about the pupil power generation and sustainable energy programme.
