Excellence in recruitment for 21st century schools

Find your perfect
job opportunity

prospects online will revolutionise the way your school recruits teaching and support staff, and school leaders, to help you deliver excellent education and development for children.

The website compliments and further modernises the full range of strategic and operational support provided by the Recruitment and Advertising service.

Our one-stop shop enables you to attract, assess and select the best people for your school. Here are some of the benefits of promoting your job opportunities with **prospects online**:

Introductory offer

50% off your first advert on **prospects online, with 50% discount on any additional postings made with your first booking. Hurry this offer is only available until Tuesday 7 June at 12 noon.**

Cost-effective solutions

No subscription charge. Reduce postage and printing costs. Should you choose to also advertise a vacancy in print, you will still receive the benefit of free artwork and design and cheaper publishing rates in local or national media.

Expand your audience, widening prospects

Job search facility and free email job alert service. We offer Interview tips, to maximise the potential of your applicants.

Job of the Week

Maximise coverage of your vacancy.

Jobs of the week are displayed on every page of the website including the front page.

Save time and help save the environment

We can manage the job application process for you, from application tracking to management of references, and beyond. Display a bespoke application pack alongside each advert and invite online applications, helping to reduce the carbon footprint of our service and your school.

Recruitment monitoring

We can monitor the effectiveness of the marketing of your vacancy for future recruitment planning.

Expert advice and support

We can advise on Recruitment strategy, and how best to promote your permanent or temporary vacancies and your school. The service is tailored to the needs of each campaign and customer.

We can provide HR and Best Practice advice, to make sure that your school meets the highest Safer Recruitment standards and avoids discrimination.

Expanding your audience, widening your prospects, reducing your workload.
