

FFT Aspire Advanced Data Managers Course KS4 & KS5

Friday 17 June, London 9.30am – 12.15pm

Friday 16 September, London 9.30am – 12.15pm

Participants attending this course will:

- Practice importing pupils into FFT Aspire for matching
- Practice exporting pupil information, benchmarks and targets for use in MIS and spreadsheet analysis
- Consider best practice in managing the target setting process
- Manage users and apply best practice in data security
- Develop your data timetable through the year
- Investigate how statistical models underpin performance data
- Plan how to work with colleagues to manage information and promote data literacy across the school

This half day course costs just **£145 + VAT.**
