

# Unpacking Progress 8: Getting to grips with your 2016 results

*The Key Stage 4 roadshow for headteachers & senior leaders responsible for performance & data in secondary schools*

Our highly valued briefings continue with an opportunity to look at the latest national research and identify the implications for your school. Discover if your school is really making improvement with FFT's modelling of the new accountability trends.

Just £75  
+ VAT per  
delegate

During the two-hour session you will get to grips with Progress 8, the implications of EBacc entries upon the curriculum and receive an FFT data report.

The event will cover:

- Evaluation of your school's performance in the new accountability framework
- Knowing the likely performance of your 2017, 2018 and 2019 pupils
- Learning from the national picture with FFT research
- Identify the impact of the new higher standards on Pupil Premium
- Understand floor standards, coasting schools and Government accountability
