The Admissions Policy of the Governors of

Idle Church of England Voluntary Aided Primary School

For pupils admitted to school September 2026 – July 2027

The number of children we can accept into Reception each year is 60. If there are more applicants than places available, the Governors, who are the admissions authority for the school, will operate the following oversubscription policy, bearing in mind infant class size legislation.

*Children with a statement of Special Educational Need or an Education Health and Care plan which names the school are entitled to a place. This is not part of the oversubscription admission arrangements. Outside the normal admissions round, the Local Authority's Fair Access protocol will be applied alongside the policy to secure the admission of vulnerable pupils from specific groups.

If the number of applications received exceed the number of places available, the following criteria will be used to determine the children who can be admitted:

In order of priority:

1. Looked After children or children who were previously Looked After but ceased to be so because they were adopted or became subject to a residence or special guardianship order.
2. A brother or sister who will still be attending the school on the expected date of admission ('brother or sister' includes step brother / sister/ adopted children / foster sibling living at the same address)
3. Faith based or 'Church Places' category
 - a. Children who are frequent worshippers at Holy Trinity Church, Idle. (A frequent worshipper is one who attends worship*¹ at least twice a month or more for the last two years*³ prior to the National closing date for Primary school)
 - b. Children who are frequent worshippers at other churches within the parish boundaries of Holy Trinity church, Idle, and Children whose home address*² is within the parish boundaries of Holy Trinity church Idle who are frequent worshippers at other churches which may be in or out of the parish boundary. (A frequent worshipper is one who attends worship*¹ at least twice a month or more for the last two years*³ prior to the National closing date for Primary school)
 - c. Children who are regular worshippers at Holy Trinity Church Idle. (A regular worshipper is one who attends worship*¹ at least once a month or more for the last two years*³ prior to the National closing date for Primary school)
 - d. Children who are regular worshippers at other churches within the parish boundaries of Holy Trinity church, Idle, and Children whose home address*² is within the parish boundaries of Holy Trinity church Idle who are regular worshippers at other churches which may be in or out of the parish boundary. (A regular worshipper is one who attends worship*¹ at least once a month or more for the last two years*³ prior to the National closing date for Primary school)

The **attended Church** must be either: a member of 'Churches Together in Britain and Ireland'; a member of the 'Evangelical Alliance', or able to fully subscribe to a 'Trinitarian Christian Creed'. A confidential Church reference from the Minister will need to be completed to support your application. When applying for a place on grounds of faith the Supplementary Information form must be completed in addition to the Local Authority common application form. (See note 3 of Admissions Process). (Confirmation of affiliation or creed should be obtained from your Minister or Vicar)

*¹ **‘Worship’** can mean weekday activities organised by the church that include an element of Christian worship.

*² **‘Home address’** refers to the child’s permanent home at the date of admission. Where the child lives with split parents who have shared responsibility, it is for the parents to determine which address to use when applying for a primary school. Proof of residency may be required at any time during or after the allocation process.

*³ **‘Two years’** in this policy means that if the child has moved place of worship within the two years, the previous place of worship can be used but this must be evidenced by another confidential church reference.

4. Children of staff at Idle CE (A) primary school who have been employed at the school for two or more years at the time of application, or are recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Other children

Tie breaker: In the event of there being more applicants than places available in any of the above criteria, the distance from the child’s home address^{*2} and the school as measured by the Local Authority electronic mapping system will be used as tie breaker one.

Tie breaker two: where the offer of a place to applicants measuring identical distances would lead to oversubscription, the decision on who will be allocated the place(s) will be made by random selection.

Where the parents of children of multiple births (twins, triplets etc) request admission and only one of the siblings can be offered a place, the remaining siblings will also be offered places above the admission number.

*² **‘Home address’** refers to the child’s permanent home at the date of admission. Where the child lives with split parents who have shared responsibility, it is for the parents to determine which address to use when applying for a primary school. Proof of residency may be required at any time during or after the allocation process.

Waiting List

Where an applicant is refused a place, the parent may request that the application be held on a waiting list for the remainder of the school year for which application was made. The allocation of places, if vacancies arise, will be in line with the above order of priority and not on the basis of how long the application has been registered.

For Applications to Reception Year,

Parents may request:

- Taking up the place on a part time basis
- Deferring taking up the place until the beginning of the term following the child’s fifth birthday or the beginning of the summer term, whichever comes first. Parents may not defer a place beyond the beginning of the summer term.

Fair Access Protocol for Children and Young People

All LA’s must have a Fair Access Protocol (FAP), agreed with the majority of schools in its area to ensure that outside the normal admissions round, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

The FAP ensures that all schools admit their fair share of children with challenging behaviour and children who arrive outside the admissions round who may have difficulty securing a school place. In these circumstances, all schools may be asked to admit above their published admission number.

The operation of the FAP is triggered when a parent of an eligible child has not secured a school place under normal in-year admission procedures. Schools dealing with their own in year admissions must refer unsuccessful applications to the LA’s Admission Team as soon as possible as the application may need to be dealt with through the FAP. All schools must participate in admitting children through the FAP in accordance with the School Admissions Code 2021.
