Fair Access Protocol for Children and Young People

All LA's must have a Fair Access Protocol (FAP), agreed with the majority of schools in its area to ensure that outside the normal admissions round, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

The FAP ensures that all schools admit their fair share of children with challenging behaviour and children who arrive outside the admissions round who may have difficulty securing a school place. In these circumstances, all schools may be asked to admit above their published admission number.

The operation of the FAP is triggered when a parent of an eligible child has not secured a school place under normal in-year admission procedures. Schools dealing with their own in year admissions must refer unsuccessful applications to the LA's Admission Team as soon as possible as the application may need to be dealt with through the FAP. All schools must participate in admitting children through the FAP in accordance with the School Admissions Code 2021.
