

The Health & Wellbeing Team is proud to announce the launch of a new and innovative way to support schools to improve the health outcomes for pupils.

The new Investors in Health (IiH) programme is designed to help you achieve excellence in the development and delivery of PSHE, working closely with both the Health & Wellbeing Team itself and School Nursing Teams.

Free Seminar Investors in Health

Your first step to the Certificate in Innovative Practice

In order to give you the opportunity to find out how you can deliver the best possible health and educational outcomes for your pupils why not join us at one of the following seminars:

Thursday 3 September 09:00—12:00

Venue: The Innovation Centre
Bradford Design Exchange
34 Peckover Street
Little Germany
Bradford
