

Autumn Webinar Series, November – January 2015/16

FFT regularly hold free online webinars. Each webinar consists of an overview of a topic, with the opportunity to ask questions and get answers from the presenter and the webinar host. The presenters are specialists in the topic covered.

The webinars are live, and last no more than twenty five minutes.

Please note that these are online sessions only, which you can log into without having to travel, it is not possible to attend the session in person.

The free programme of webinars is updated regularly, to receive information as they are programmed please email hello@fft.org.uk.
