Leading on talk: driving achievement

# LANGUAGE FOR LEARNING IN KS3

## Marketplace and Forum

**Monday 22 February 2016, 15:30 - 16:30**

**Green Lane Primary School**

Are you concerned about the levels of your pupils' speaking and listening skills?

Language underpins all thinking and learning.

Poor speaking and listening skills have an adverse effect on academic achievement and overall health and well-being.

Some of our L4L members will be available to showcase current training courses and share their experiences in primary and secondary schools.

Come and tell us what you need and find out what Language for Learning can offer your school.

**Talk for Writing**
