

# RNIB Guide for parents

If you have a baby or child that has recently been diagnosed with an eye condition, we have information, advice and support to help you support the growth and development of your child.

Our Guide for Parents will help to answer questions such as:

- What can my child see?
- How will my child learn?
- How can we help at home?
- Who is available to support us?
- What will we need in nursery and school?

The guide is available to download at [rnib.org.uk/parentsguide](https://rnib.org.uk/parentsguide)
