We have recently launched our new apprenticeship scheme that increases your school’s capacity to deliver sport & PE and we would like to invite you to a meeting where you can find out more about how you can employ a sports specific apprentice / Teaching Assistant for as little as £2700 (utilising Governments grants).

**Invitation**

The meeting, for Primary Schools, Secondary Schools, Prep Schools and Special Education Schools will take place on Thursday 30th January at 4.15pm in the Provident Stadium, Stampede Centre, Bradford Bulls Foundation, Rooley Avenue, Bradford, BD6 1BS

**About Us**

Bradford Bulls Foundation have teamed up with InnovEd to launch our new School Sports Apprenticeship programme in the Bradford and West Yorkshire region. The scheme will provide an apprentice teaching assistant who can focus on delivering high quality PE and wellbeing activities for the whole school.

InnovEd are a niche training provider and have a proven track record of providing innovative solutions for education for schools and private bodies up and down the Country.

**School Sports Apprentices**

The new scheme provides well trained, motivated and cost effective staff members to support the delivery of physical activity to pupils. They will develop a depth of knowledge about sports coaching and will assist teachers in delivering curricular PE sessions, promote the benefits of a healthy lifestyle and act as an additional positive role model.

**The Benefits to YOUR School**

- Increase capacity in the PE department with specific sport-related skills
- Cost effective, with the opportunity to claim up to £1,500 of funding per trainee to subsidise apprentice wages that are currently set at a minimum of £80 per week
- Effective utilisation of the Sports Premium Funding (for Primary Schools)
- Ongoing support and assessment of learning in physical activity sessions
- Community engagement opportunities and positive publicity

**Key Facts**

- Apprenticeships are about learning on the job
- Apprenticeships are not time driven
- Apprenticeships are not set by the academic year
- Apprentices are hand-picked and will receive a range of qualifications
- Schools interview and select the Apprentice(s)
