Bingley Keighley Primary School Planning Area

There are three primary schools in Bingley/Keighley planning area, all of which have nursery provision. The area is semi rural but has links into both Bingley and Keighley.

School name	School Type	Multi Academy Trust (MAT)	Published Admission Number (PAN) 2023	Nursery provision
Crossflatts Primary School	Community	-	60	Yes
East Morton C of E Primary School	Academy	Bradford Diocesan Academy Trust	30	Yes
Riddlesden St Mary's C of E Primary School	Voluntary Aided	-	60	Yes

Map showing primary schools in the Bingley Keighley planning area:

Historic numbers of pupils in Bingley Keighley

The table below provides historical information on the total number of reception places available (PAN) and number of reception pupils on roll. The total number of school places available is shown against the total number on roll (NOR) to give an overall number and percentage of surplus places (shown as a minus where there is a shortfall).

Year	PAN	Pupils in	Spare	Total	Total	Surplus	%
		reception	reception	Places	NOR	places	Surplus
			places				places
2017	150	146	4	1023	1003	20	1.96%
2018	150	140	10	1050	1017	33	3.14%
2019	150	146	4	1050	1004	46	4.38%
2020	150	136	14	1050	986	64	6.10%
2021	150	144	6	1050	981	69	6.57%
2022	150	134	16	1050	1011	39	3.71%
2023*	150	146	4	1050	1018	32	3.05%

^{*}Based on Primary school forecast, July 2023

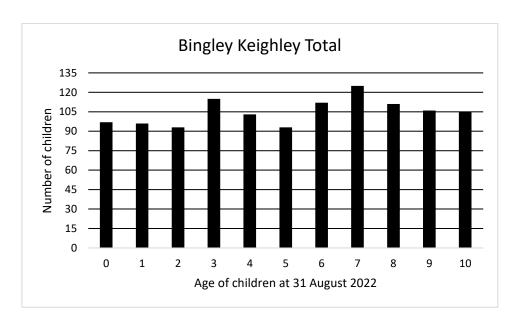

Historic actions and academy conversions

- East Morton C of E Primary School converted to academy status in October 2017 under the Bradford Diocesan Academy Trust (BDAT).
- Riddlesden St Mary's C of E Primary School began providing places for 2 year olds from September 2018.

Health Authority Data for Bingley Keighley

The number of children recorded in the January 2023 data received from the Health Authority is shown below:

Age at 31 August 2022	0	1	2	3	4	5	6	7	8	9	10
Bingley Keighley Total	97	96	93	115	103	93	112	125	111	106	105
Reception Intake Year	2026	2025	2024	2023	-	-	-	-	-	-	-
Year 7 Intake Year	2033	2032	2031	2030	2029	2028	2027	2026	2025	2024	2023

Forecast methodology for Bingley Keighley

The need for primary school places depends on the local child population. Key factors in the forecast are the number of births and children registered with the Health Authority in an area, migration in and around the District and movement of families into new housing developments.

The take up rate of 95% is applied to the health data and the table below shows the calculated number of Reception places required for Bingley Keighley residents in the coming years.

Year of reception intake	2023	2024	2025	2026	2027
Calculated places required	111	85	95	92	89

In addition to these figures, forecasts incorporate trends for children attending schools outside of their local planning area. For Bingley Keighley, the highest number of children coming in are from Bingley 1 and Keighley 1; the highest number attending elsewhere go to schools in Bingley 1. Historically, children attending schools here from outside of the District have not been a factor in the forecast for this area.

Forecasts and historic accuracy for Bingley Keighley

The tables below contain forecast data submitted to the DfE as part of the annual School Capacity (SCAP) return. The grey column shows the difference between last year's forecast and the actual number of pupils on roll at the schools at the January school census.

Reception:

Year	2022	2023	2024	2025	2026	2027
PAN	150	150	150	150	150	150
Forecast	131	146	128	134	130	127
Surplus	19	4	22	16	20	23
% Surplus	14.5%	2.7%	17.2%	11.9%	15.4%	18.1%
Actual	134	-	-	-	-	-
Difference	3	-	-	-	-	-
% Difference	2.3%	-	-	-	-	-

Reception to Year 6:

Year	2022	2023	2024	2025	2026	2027
Total Capacity	1050	1050	1050	1050	1050	1050
Forecast	982	1018	1004	999	986	972
Surplus	68	32	46	51	64	78
% Surplus	6.9%	3.1%	4.6%	5.1%	6.5%	8.0%
Actual	1011	-	-	-	-	-
Difference	29	-	-	-	-	-
% Difference	3.0%	-	-	-	-	-

Note that a PAN reduction alone does not change the net capacity of the school. Total Capacity, as calculated above, factors in PAN but is predominantly concerned with the capacity of the buildings; net capacity can therefore only be adjusted as a result of significant changes to the building and/or use of space. The total capacity here is therefore the maximum number of potential school places that can be physically accommodated; however, the maximum number of pupils that can be accommodated in any year will be dependent on factors such as the PAN, the class organisation and the number of teaching staff at the school.

Planned/possible actions

Forecasts for this planning area show a significant level of surplus places.

The Local Authority will continue to monitor the number of children and parental preference in this planning area whilst working collaboratively with schools and trusts and providing the required information to assist the decision-making process.
