

Summer Reading Challenge 2024

Delivered in partnership with libraries

# Marvellous Makers

## Bookmark: Recommend to a friend

Have you read a book so good you simply can't keep it to yourself? Colour in this bookmark, cut it out (you can stick it on card if you like) then fold it in half. Ask an adult for help with this.

Now hand it to a friend who you think may love the book just as much as you!
