## Celebrating Bradford's Cultural Heritage

**Good news** **The BBC** will now be joining us on 7 June 2019 and the day will be used as a launch for BBC Music Day.

**Lots of things for your pupils to watch and take part in – fun and vibrant day for all. As the BBC are now part of this day the deadline has been extended to Friday 17 May 2019**

You never know you might be on Look North or mentioned in the press releases as we are expecting television crews. Previous BBC Music Day events were met with great enthusiasm from schools with many looking forward to signing up for the next one even before they got back to school!

This will take part in City Park as the mirror pool will be drained so there is plenty of room for everyone.

This will be a fun packed day with performances from groups from across the district showcasing music and dance that makes Bradford the vibrant city it is. The day will include lots of music and

***Bradford Youth Orchestra***

***Big Sing (school participation)***

***DrumIt (school participation)***

***The BBC 10 Pieces will also feature***

**Practical matters:**

The event will take place during the school day in City Park, Bradford. Registration is between 9.30 am and 10.30am (entertainment from 10 am).

There will be a safe and secure area during the day for schools/pupils.

We are expecting possible coverage from news stations and newspapers and may also use footage and photos for our own marketing and publicity so ensure you have the right permission in place for pupils to participate. Due to the nature of the event, **WE ARE UNABLE TO GUARANTEE ANY EXCEPTION TO THIS** as this falls outside of our control and is a public event and as such anyone can take photos/video footage (**in exceptional circumstances the BBC will issue lanyards for those pupils unable to be filmed etc).**

Activities, participation and acts will be continuous one after another with a short break for lunch with live background music.

Resources for the joint school participation events will be issued once you have registered. Please ensure your contact details are entered accurately on the booking form as these will be used for updates and sending out workshop information.

In order for you to take part in this day please complete the online form (link below) indicating tentative numbers who will be attending from your school. This can be from a small group to the whole school.
