

Equip your teachers to teach another language.

Do you have non-specialists teaching Key Stage 3/4 French, Spanish, German or Italian?

Do you struggle to recruit specialist MFL teachers?

Why not “grow your own” specialist MFL teachers with this **DfE funded** teacher subject specialism training in secondary MFL, funded by the National College for Teaching and Leadership?

- Course designed and delivered in partnership with the TES Institute, leading providers of Subject Knowledge Enhancement courses.
- Series of 7 workshops on the key topics.
- Opportunity to develop spoken language skills.
- Bespoke differentiated approach to meet teacher needs.
- Gap tasks to ensure maximum impact in the classroom.
- £200 bursary paid to the school on successful completion of the course.

Writing in the Target Languages – a variety of strategies

“ Don't just take our word for it...”

Previous TSST Participants:

“I am now more creative and motivated by new ideas, strategies and techniques.”

“There is a huge bank of literature available from the online modules and all the links and videos.”

“Students are visibly more engaged by inspired teachers.”

“I have learned how to maintain interest and stimulate students with games and activities as well as more challenging tasks.”

TES Institute:

“The largest UK provider of Subject Knowledge Enhancement programmes.”

“Highly practical programmes allow students to study at their own pace, whilst working or teaching, and learning from expert educators and their peers.”

“Through the very best of both digital and blended learning, TES Institute will give teaching staff the skills to teach with confidence and schools the ability to attract, train and retain the very best.”
