

# Course Facilitator Profile

<b>Name:</b>	Andrea Mapplebeck
<b>Designation:</b>	Education Consultant
<b>Designated Specialism:</b>	Pedagogical Teaching – Practical Science – Physics teaching for specialists and non-specialists
<b>Phase:</b>	Secondary

An experienced teacher and leader, as well as a career history that includes the co-Head of the National Science Learning Programme, Andrea brings enthusiasm and a wealth of practical ideas to create a stimulating and engaging learning environment. She has worked with a wide range of organisations on a variety of issues that affect secondary and primary education, not only in science but whole school and in the wider education context. She has a wealth of experience designing and facilitating a broad range of flexible CPD experiences across the UK and originating innovative and creative curricula based on a sound evidence base including data and research done as part of her PhD, which is in the field of Assessment for Learning.

In her fourth year of leading the TSST Physics programme for Northern Lights SLP, Andrea's success lies in supporting all participants to become the best that they can be; to successfully and promote Physics at both Key Stage 3 and GCSE – bringing a sense of fun and engagement, curiosity and academic rigour!
