

YORKSHIRE CHAMPIONS GROUP

Warrant Officer (RAFAC) Daniel Rouse
Officer Commanding 44F (City of Bradford)
Squadron, Royal Air Force Air Cadets.

Background Information:

Born and raised in the Bradford area, school was a bit of a non-starter for me. Luckily by joining the Air Cadets at the age of 13 I was able to top up my school qualifications with BTEC's. Unsure of what to do when I was leaving school, I became a Special Constable with West Yorkshire Police, eventually gaining the rank of Section officer. I was proud to serve my community and lead others in the same. After 11 years' service, I decided to step away to concentrate on serving the community in other ways.

After many years of jumping from job to job including retail, hospitality and event management, I was able to complete a basic course in teaching. After enjoying the training and delivery, I sought to complete further education in this sector. After a few years of hard work and determination, I was pleased to be awarded my Certificate in Education with Mathematics.

I now work as a First Aid and Health & Safety Trainer for West Yorkshire Police and love teaching the lifesaving skills that are effective on the streets of West Yorkshire.

I am also currently the Officer Commanding of the Bradford Air Cadets, where I lead a team to ensure the cadets all have opportunity and progression to be the best version of themselves that they can be. This is a humbling and privileged role I take very seriously.
