16+ and looking for volunteering opportunities?

Want to get some hands-on experience working with regional employers?

Join the Police Camps 2016 team and develop your skills, knowledge, experience and have fun at the same time! This is a unique opportunity to work alongside people from various professions with a common aim of engaging positively with young people from across the Bradford District.

You will be given full training for the role on topics such as Safeguarding, Working with Young People and Health & Safety to equip you with what you need.

Whether you want to join a public service or not, the experience of working on the Police Camps programme will benefit you immensely. You will receive feedback and support during the camp from our Staff Manager and the information, advice and guidance will shape your future.

It could be for your UCAS Personal Statement, as work experience for your CV or just because you want to do something that will benefit your community. Whatever the reasons, if you are a team player and you think you have the skills and qualities required to work in a fast paced, dynamic environment, apply now at www.bradfordcollege.ac.uk
