

Primary: Mathematics subject leader summer network

Messages in mathematics from HMI Jane Jones

Outline

Mathematics subject leaders will have an opportunity to hear the most up – to date developments in the ever changing world of mathematics which will impact on the educational outcomes of all pupils. The national lead for mathematics Jane Jones HMI will share key messages regarding mathematics teaching as well as her latest Ofsted research findings into all aspects of transition practices.

Headteachers are encouraged to attend the HMI Jane Jones presentation by booking course code 011-0617-T009

Please note we are able to offer the full day to subject leaders at the half-day delegate rate.

The special rate for this course is available through HMI support.

Description

Jane will delight morning delegates to a thought provoking session which will challenge existing beliefs and practices surrounding current leadership, teaching and learning and transition arrangements. The transition arrangements include practices not only from year to year, but also from unit to unit.

The afternoon session for subject leaders only will be the summer network for subject leaders. Delegates will be informed prior to the meeting of any pre-reading tasks, think pieces and any preparation that will need completing

Outcome

This network will support leaders to:

- hear key messages and information relating to mathematical developments locally and nationally;
- Identify and explore key issues related to the leadership and management of teaching and learning of mathematics;
- focus on raising standards for all students and diminishing the achievement gap; and
- network and collaborate with colleagues across the region.

Date & time:

20 Jun 2017 09:00 - 15:00

Venue:

Pudsey Civic Hall, Dawson Corner, Leeds, LS28 5TA
