

Do you have a learning disability?

Do you want a paid job?

Project SEARCH could be right for you!

Project | SEARCH

Project SEARCH is a unique opportunity for students age 18-25 who have a cognitive learning disability, to develop skills for the work place and be supported in their search for employment. Our graduates complete over

900 hours of work experience, in three different roles, with support from a Tutor, Job Coaches and expert work place mentors. The goal of the project is for our interns to find paid employment.

Interested? We are recruiting!

We are looking for interns to start in September 2017, who have good attendance records, are reliable, ready to work hard and committed to aim for getting a paid job by the end of the programme.

How can I find out more?

Why not come to our Open House Information Evening? On Wednesday 7th December at 6pm we are offering an opportunity to find out more about Project SEARCH, which is a partnership between Bradford Teaching Hospitals NHS Foundation Trust, hft, Southfield School, The University of Bradford and Bradford District Metropolitan Council. At the event you will be able to get information about the project, meet the Tutor and Job Coaches and find out more about the employers who provide placements. Application packs for the September 2017 intake will also be available at the event. The deadline for applications is Friday 13th January 2017. To find out more or request an application pack call 01274 383867 or email projectsearch@bthft.nhs.uk
