

Driver's Promise

- I promise to keep our local environment and school community safe and healthy.
- I will turn my engine off when parked. This makes the air my child breathes cleaner.
- My child will always wear a seatbelt in the car.
- I will try my best to walk, cycle or scoot to school as this is healthier and better for the environment.
- I will be considerate with my speed, I will park some distance away from school and walk a short journey even in bad weather.
- I will not park on zig zags or yellow lines, block driveways or park on the path.

Parents

Park away from school gates.

Always hold your child's hand.

Remember your child will copy you.

Every time you cross the road hold hands, stop, look, listen and think.

Never get a child out of the car from the road side, always use the pavement side.

Think! Always use safer spaces to cross the road.

Secure your child in the car and always use a car seat or booster seat.

Think!

Do you need to make this journey by car?
