

Driver's Promise

- I will be considerate with my speed and drive carefully around people on foot or on bikes.
- I will park further away from school and walk the last part of the journey - even in bad weather.
- I will not park on zig zags or yellow lines, block driveways or park on the path.
- My child will always wear a seat belt in the car.
- I will turn my engine off when parked. This makes the air my child breathes cleaner.
- I will try my best to walk, cycle or scoot to school as this is healthier and better for the environment.

Parents

Park away from school gates.

Always hold your child's hand.

Remember your child will copy you.

Every time you cross the road hold hands, stop, look, listen and think.

Never get a child out of the car from the road side, always use the pavement side.

Think! Always use safer places to cross the road.

Secure your child in the car and always use a car seat or booster seat.

Think!

Do you need to make this journey by car?
