

Resource

0 – 25 Specialist Teaching And Support Service

Resources to support a connection schema.

Resources to facilitate learning opportunities to connect and disconnect:

	Provide containers so that the child can take lids off and put them on again.
	Connect pipes and funnels in water or sand play.
	Place curtain rings and bangles on a mug tree.
	Create a fastenings board with bolts, catches etc.
	Have fabric fastenings e.g. Velcro, zips, buttons.
	Provide a range of construction kits.

	Large scale connecting e.g. build dens and stack crates.
	Create structures with loose parts.
	Use magnetic and Velcro boards.
	Provide opportunities to connect with junk modelling and collage.

Things to note:

This resource sheet is part of the Schemas - Connection Tool Kit.
