

Resource

0 – 25 Specialist Teaching And Support Service

Resources to support an enclosing schema.

Resources to facilitate learning opportunities to enclose:

	Well stocked craft area with boxes in a range of sizes.
	Enhance the small world area with small wooden blocks, bangles and necklaces.
	A range of mark making resources available for children to draw and mark out their own enclosures.
	Large-scale open-ended resources outside such as wooden planks, twigs, branches, skipping ropes.
	Construction kits.
	Ribbon, tape, wool, lolly sticks for children to use to create borders for their pictures.

Hats, crowns, masks, gloves, blankets, cushions, boxes with lids, nesting dolls, play dough, different sized containers, dressing up clothes. Baby and cot.

Things to note:

This resource sheet is part of the Schemas – Enclosing Tool Kit.
