

Resource

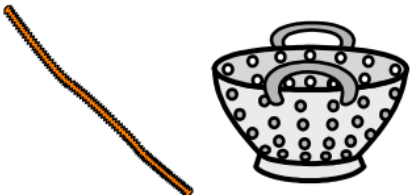

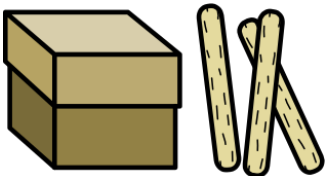

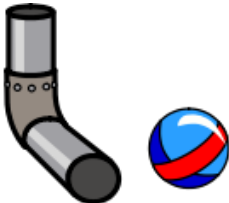

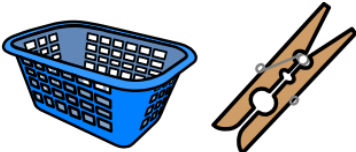

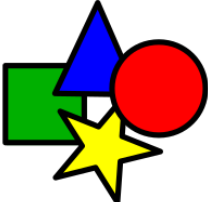

0 – 25 Specialist Teaching And Support Service

Resources to support a posting schema.

Resources to facilitate learning opportunities to post:

	DIY posting boxes.
	Pom Poms and cardboard tubes.
	Posting pasta shapes into bottles.
	Nesting dolls.
	Coin slot jar – cut a slot in a jar lid for children to post loose parts.

	Pipe cleaners and a colander.
	Tunnel – children can post themselves through the tube.
	Tissue and wipes boxes and coloured scarves.
	Shoe boxes with small slits cut in the top of the box and lolly pop sticks to post through.
	Balls and drainpipes.
	Washing basket to post through such as pegs, scarves, balls, small word characters.
	Shape sorters and inset puzzles.

Things to note:

This resource sheet is part of the Schemas - Connection Tool Kit.
