

READING'S GREAT. PERHAPS MORE THAN YOU REALISED...

When children read regularly, it raises their literacy levels. Did you know that it also boosts wellbeing and empathy, and improves life chances too?

Books can be expensive, though. That's where your local library comes in. It's free to join and once you're a member, you'll have access to a wealth of free books, our digital library (eBooks, audiobooks, eMagazines), resources, activities and more.

Give your child the gift of library membership
and unlock a world of possibilities...

With library membership, your child has access to a wealth of free books. They can also enjoy all the great activities and resources that your local library has to offer.

This includes the fantastic free reading challenge for children aged 5+, **The Secret Book Quest**. Led by a vivid cast of beautifully illustrated characters, children can read their way through 10 themed zones including space, animals and Jurassic. Once your child is a library member, they can sign up to receive their free Secret Book Quest pack. There are stickers to collect along the way, puzzles to solve, certificates and a finisher's prize too!

If your child enjoys taking part in the Summer Reading Challenge, The Secret Book Quest is a great way to continue their reading adventure throughout the rest of the year.

What do you need to do to take part?

It's simple – visit your local Bradford library! You can find your local library at www.bradford.gov.uk/libraries.

Sign your child up as a library member (if they're not one already) then tell a member of staff that they'd like to start The Secret Book Quest. That's all you need to do.

There are lots of great benefits to being a library member - for both adults and children - and it's free to join. Whether your child is discovering the library for the first time or looking for their next reading challenge, we'll be delighted to welcome you.
