News and Updates from the Social, Communication, Interaction & Learning (SCIL) Team

A very warm welcome to the start of the new academic year and I hope you're feeling refreshed and ready for the term ahead.

Service Offer

Following feedback received from SCIL Team staff and school/setting colleagues via the Snap Survey last summer term, we have made minimal changes to the service offer.

The main change is a revised 'SEND Specialist Support Planning and Delivery Document' which aims to capture the impact of our wider school support through monitoring of agreed bespoke success criteria. This will (or may have already) be shared with you by your link Specialist Teacher as you jointly plan the vision for SEND improvement in your school.

A huge thank you to all who took the time to provide feedback on the service we provide, a summary of which, including 'you said, we will' can be found attached.

Training

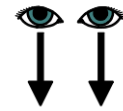

Details of the scheduled courses (for individuals to book on) or on demand/bespoke (delivered in school to a group of staff) can be found at

[Courses & Training | Skills 4 Bradford](#)

This year, we are continuing to deliver our popular 'Fundamentals for Inclusion' and 'Practical Strategies' (for support staff) courses in each area of specialism we provide (Early Years, Communication and Interaction, Learning Support and Social, Emotional and Mental Health) with no additional cost for Bradford Mainstream schools (although an administration fee of £32 will be charged for non-attendance or cancellation up to 5 days prior to the training course). These are bookable via the training and events page at [Training & Events | Skills 4 Bradford](#)
