Northern Lights Teaching School Alliance is keen to add to our SLE team and seeks applications from outstanding middle and senior leaders who understand outstanding leadership practice in their area of expertise and are skilled in helping others to achieve it. We are particularly interested in applications for the following specialisms:

- English

- Science
- Geography
- History
- MFL
- SEND
- Primary

Our highly successful team of 30 SLEs have given us some very positive feedback including:

'Working as an SLE has really made me reflect on my own classroom practice and has helped me rediscover my passion for teaching and being in the classroom.'

'There is nothing more rewarding than working with a colleague in another school and unlocking their potential and then watching them continue to flourish in their role.'

Headteachers 'appreciated the opportunity to extend the expertise of leaders whilst still retaining them in leadership positions.'

Your application must be supported by your Headteacher, from whom a reference will be required.

The closing date for applications is Friday 22 June 2018

Interviews to be held on Thursday 5 July 2018
