

**Headteacher Strategic Engagement Meeting
27 June 2014
Conference Room D, Future House**

The focus of this session is to discuss key issues in order to shape and influence developments across the District.

Aims

- To reflect on progress made in the last 12 months and areas for development
- To update colleagues on the progress in implementation of the Education Improvement Strategy
- To provide opportunities to develop an understanding of work across the District
- To hear from key stakeholders about work currently being undertaken in the District
- To have an opportunity for group reflection
