Primary Schools – Key Stage 1

Select the appropriate year group and term.

Enter the data as indicated below.

Achieved

The achieved grades should show how the young person has performed this term for each subject. This is a teacher assessment, which should be informed by test data where relevant.

The phonics score should be added to this column after the child has taken the phonics screen check*.

Targets

This is an End of Key Stage 1 Target, informed by how the child performed at the end of Key Stage 1.

Targets should be set at the start of KS1 and remain unchanged to the end of KS1.

A phonics target is not required.

Prediction

The prediction indicates what the teacher predicts the child will achieve at the end of Key Stage 1. This may change from term to term as it reflects how the young person is currently performing.

A phonics prediction is not required.

On Track?

Is the young person 'on track' **to meet their end of KS2 target**? Yes or No should be selected for each subject.

The On Track box should be completed each term to show if the child is expected to achieve 32 (the most recent threshold the phonics screen check)*.

**Where a child meets the threshold for the phonics screen check in Year 1 this information is not required in Year 2.*
