

Our District's Shared Values

We Respect

We respect ourselves, each other and our world

"We show **respect** and **understanding** for each other. It **does not matter** what age, sex, gender, sexuality, race, culture, religion, ability or disability someone has, **we all are special and unique in our own way.**"

We Encourage

We encourage each other to grow and thrive to be the best that we can be

"We take every **opportunity to grow**, **inspire new ideas**, **challenge things** when they are not right and **never giving up** when things get tough."

We Care

We care for each other and treat each other with kindness

"We **care** that everyone has a **voice** and is **understood** and can **be themselves**. We make **time** and **effort** to **talk to**, **listen to** and **look out** for each other."

We Accept

We accept and include everyone, celebrating each other and humanity

"We unite for **fairness**, **equality** and **justice**. We believe that our **differences** are our **biggest strength** and **magic happens** when we **mix together.**"

We Protect

We protect each other and the environment in which we live

"We take pride and responsibility in **looking after each other** and **the place we live in**. Nobody should feel unsafe. We **speak out** if **something is wrong** and **look out** for each other and **the place we share.**"

We accept and include everyone, celebrating each other and humanity

We Protect

We protect each other and the environment in which we live

Why we are creating our very own shared community values

Bradford is our home, a beautiful and vibrant place for everyone. We are all amazingly different but we all have so much in common.

We wanted to find out what was important to us all, the things we stand for that unite us and bring us together.

What we did

We spoke with many people in different places around Bradford District, in businesses, public spaces and shopping centres. From what we heard we have now come up with a set of shared values. Now we'd like to know what you think of these and whether there is anything you would change. Completing this survey will only take a few minutes of your time.
