## Word Problems to develop the Generalisation of Number bonds to 10 Facts

I have 4 books in my suitcase.  
It fits 10.  
How many more can fit in the case?

There are 10 sweets in a box.  
I have eaten 3,  
how many are left to eat?

Ben has 5 pens, Jess has 5.  
How many crayons are there in total?

I had 10 bouncy balls,  
but I gave 1 away.  
How many do I have left?
