

Children's Safeguarding Legislation and Guidance

Are you up to date with the latest changes?

- ✓ *Keeping children safe in education (July 2015)*
- ✓ *Working together to safeguard children (March 2015)*
- ✓ *Disqualification under the Childcare Act 2006 (February 2015)*
- ✓ *The Prevent duty (June 2015)*
- ✓ *Information sharing (March 2015)*
- ✓ *What to do if you're worried a child is being abused (March 2015)*

Working together to safeguard children and **Keeping children safe in education** clearly communicate who is responsible for ensuring that policies, procedures and training are effective and comply with the law

- Are you confident that you fully understand your responsibilities?
- Unsure of how the new changes will impact on your organisation?

Want to understand more and learn how we are already providing professional and effective safeguarding support to organisations like yourself?

Join us at one of our Safeguarding Guidance and Responsibility workshops

Who is this for: All professionals wanting to know more about statutory guidance around safeguarding children, Designated Safeguarding Leads, Governors, Trustees, Voluntary and Community groups
